## WHOROULY LANDCARE GROUP

Whorouly Landcare is hosting a free information workshop on the Queensland Fruit Fly.

The information session will cover how to identify the fruit fly, control and exclusion procedures, and how to get our backyards ready for the coming summer fruit season.

There will also be a display of brochures and products, including netting and traps, which will be available for purchase.

We will be getting some expert tips from a guest speaker – Richard Mapson, from Agriculture Victoria's fruit fly monitoring program.

The information session will be held on Friday, 5th October at the Whorouly Recreation Reserve from 7pm to 9pm. Community members are welcome.

RSVP is appreciated but not essential. Contact Michaela Ivone (secretary) on 0417 675 191 or Brain Harrington (president) on 0408 550 726.

Our next committee meeting will be held on Friday 14<sup>th</sup> September at the Whorouly Recreation Reserve starting at 6pm.

## WHOROULY CWA

### Annual Fundraising Luncheon

Whorouly CWA hosted its annual Fundraising Luncheon on Wednesday 22<sup>nd</sup> August at the Anglican Church Hall.

Despite numbers being down a little, this was still a very successful day with guests enjoying a delicious casserole lunch and being entertained by our interesting guest speaker, Mike McGurgan, who added to the day with his inspiring account of his trip of a lifetime, Stockholm to Monaco.

Thanks to our branch members who assisted with the cooking, preparation and serving, and of course the clean up.

Proceeds of approximately \$600, plus generous donations were raised. The funds will go a long way towards purchasing the park bench for the front of the Whorouly Library Hall, which is our branch's special community project to mark our 70<sup>th</sup> birthday this year.

The raffle was won by branch member, Judy Wagstaff. Congratulations Judy!

### Whorouly Craft, Coffee & Chat

Members and some community members continue to enjoy these gatherings at Whorouly Café on the second and fourth Fridays of each month from 2pm to 4pm.

Just bring along a craft project, learn a new one from some of our talented members or just come long for the chat.

### Fifth Friday Social Outings

These outings, which began as an initiative of the Craft, Coffee & Chat group, now include other members, plus friends and family, are held on the fifth Friday of the month, when these occur.

On Friday 31<sup>st</sup> August, eight ladies met at Lupo's, Myrtleford, and enjoyed an excellent good value seniors lunch (half serves of mains, plus coffee and cake) with great service, in interesting surroundings. Lively chat and interaction at the table made the day all the nicer.

Although there is a 5<sup>th</sup> Friday in November, we decided we wouldn't hold our lunch outing this time as it will be so close to Christmas and all the associated group events held then, including our own branch Christmas lunch (date and venue TBA).

### Meetings

Whorouly CWA Branch meets on the first Monday each month at 1.45pm in Whorouly Library Hall, unless otherwise advised. Our next meeting is on Monday 1<sup>st</sup> October.

For more information regarding any of the above, please contact the Secretary, Tina Ivone on 0417 105 421 or our President Pat Webb on 5727 1281. All welcome!

### **WHOROULY PRIMARY SCHOOL**

We all wore yellow for the Cancer Council Daffodil Day on the 24<sup>th</sup> August and raised \$240.20.

We have very special day planned on Thursday 13<sup>th</sup> September – Bluearth Well Being Day. It will include a half hour Bluearth relaxation session at 11.30am run by Matt, our Bluearth coach, for any interested adults. We would love to have parents and community members join in for this activity or any time during the day.

Our next transition day for our 2019 Foundation class is on Tuesday 11<sup>th</sup> September from 2pm to 3.30pm.

Thank you to the community for the wonderful support for the Buy a Brick Memory Path project. We will have a

special opening of the path later in the year. Details will be included in future newsletters.

We are looking for someone to take on the regular mowing and maintenance of our school ground. A small payment would be made so an ABN and public liability are required. Please contact the school for more details or let us know if you are interested. Phone 5727 1363.

The Interchange students who regularly visit Whorouly and help in the community will be extending our chicken coop when they visit next. We are hoping to use recycled materials for this project, so if anyone has spare chicken wire or boards suitable to use for the frame please contact the school. Any donations would be greatly appreciated.

## **WHOROULY FOOTBALL & NETBALL CLUB**

O&KFNL finals sees the WFNC with only one team, the U15 netballers, still representing the club, after C Grade and B Res bowed out in the first elimination – tough games, but great efforts by the girls.

Many thanks to all who came along to support the girls and to help the club with catering at Tarrawingee on Saturday 25<sup>th</sup> August – it was very much appreciated.

Following our last home game, the club's vote-count night was enjoyed by over 150 people who crowded into REMEL 185 to witness the counting for all nine teams and enjoy a great meal.
